

CENTAURUS FOUNDATION / CENTAURUS 360 PROGRAMME

INTERNATIONAL PREMIUM PARTNERS GALA 2027

THE CENTAURUS FOUNDATION'S FIRST INTERNATIONAL PARTNERS' GALA

VENUE Modlimowo, Poland

DATE Second half of 2027

HELPING ANIMALS. CONNECTING BUSINESSES. SHAPING OUR SHARED FUTURE.

Some events end with an exchange of business cards. Others inspire lasting partnerships and meaningful change. **CENTAURUS 360 – INTERNATIONAL PREMIUM PARTNERS GALA 2027** brings these two ambitions together: responsible business and tangible support for animals.

The Centaurus Foundation invites companies from Poland and abroad to help create the inaugural edition of a multi-day event combining **international business collaboration, public education, family-friendly experiences and a presentation of the results achieved through CENTAURUS 360.**

Our vision: guests come to meet people, discover companies and explore projects – and leave knowing their involvement can make a real difference to animals' lives.

01 VENUE AND EVENT FORMAT

The event will be hosted at the Centaurus Foundation's centre in **Modlimowo**, covering approximately **140 hectares**. Here, guests can see the Foundation's work first-hand, learn about the needs of rescued animals and discover how their support translates into safer, better living conditions.

We envisage a multi-day event combining activities open to the public with a separate, invitation-only business programme and a formal gala evening. **An inclusive event can still offer our partners comfort, prestige and high-quality opportunities to connect.**

COMMUNITY & FAMILY PROGRAMME

Education, workshops, family-friendly activities, presentations of the Foundation's work and outdoor events.

BUSINESS PROGRAMME & EXPO

Company presentations, industry discussions, networking and planned one-to-one B2B meetings.

PREMIUM PARTNERS' GALA

A formal evening for invited guests – celebrating achievements, expressing thanks and strengthening relationships.

02 AN INTERNATIONAL BUSINESS PLATFORM

A major feature of the event will be the proposed **CENTAURUS INTERNATIONAL BUSINESS & PARTNERS EXPO** – a showcase for the products, services and technologies of businesses supporting the Foundation. We invite companies from manufacturing, trade, technology, services and other sectors to help shape this international meeting place.

AREA	PLANNED BENEFITS FOR PARTICIPANTS
PARTNER EXHIBITION	An opportunity to showcase products, innovative solutions and company achievements in an agreed exhibition format.
B2B MEETINGS	A proposed space for direct discussions with business contacts, distributors, suppliers and potential partners.
INTERNATIONAL CONNECTIONS	Opportunities to meet companies operating in different markets, share experiences and explore opportunities for collaboration.
INNOVATION & RESPONSIBILITY	Project showcases, industry discussions and solutions connecting economic development with social responsibility.

To help participants build connections, we are considering **an optional company directory organised by sector and country**, as well as a way to indicate preferred business contacts before the event. Company details would be shared only with the companies' consent.

Our aim is to create an environment in which meaningful introductions can develop into lasting business relationships.

03 EDUCATION, EMPATHY AND FAMILY EXPERIENCES

Our public programme will focus on **education, responsibility and direct engagement with the Foundation's mission**. We plan nature workshops, expert talks, empathy-building activities, educational demonstrations and experiences centred on animal welfare and environmental protection.

Children and young people will have a special place in the programme. We envisage engaging, hands-on learning, family activity areas, creative workshops and selected cultural and outdoor events. We also hope businesses will help develop the educational programme, showcasing **not only their products, but also their values and expertise**.

Every activity must respect the welfare of the animals in our care. **Their tranquillity and safety, and the natural character of Modlimowo, will take priority** when planning visitor access and the event's individual areas.

04 THE GALA – RECOGNISING PARTNERS AND CELEBRATING RESULTS

The formal **PREMIUM PARTNERS’ GALA 2027** will be the highlight of the event – an evening dedicated to the companies and individuals who commit their funds, expertise and resources to helping animals. We want to share inspiring stories, recognise meaningful support and create opportunities for personal connections among guests from different countries.

A central feature will be the presentation of **verified, documented achievements under CENTAURUS 360**, including progress on refurbishment projects, educational initiatives, investments and partnerships supporting the Foundation’s work.

PLN 360m	PLN 90m	PLN 270m
overall programme target	separate target for ongoing animal care	investment and development target

Speeches and progress reports will reflect the programme’s actual status when the materials are prepared – **never presenting planned outcomes as achievements already delivered**. This is what responsible communication with donors means to us.

We measure prestige by what we achieve together: better living conditions for animals, the quality of our relationships and the strength of lasting partnerships – not by lavish event production.

05 WHAT PARTICIPATING BUSINESSES CAN GAIN

Support for CENTAURUS 360 is driven first and foremost by a desire to help. We also recognise that company boards consider the strategic value of social engagement. We are therefore designing an experience that can combine **meaningful social impact with genuine value for participating organisations**.

VALUE	WHAT IT MEANS FOR PARTNERS
AUTHENTIC SOCIAL ENGAGEMENT	An opportunity to support specific Foundation objectives and communicate the verified outcomes of an agreed partnership.
NEW INTERNATIONAL CONNECTIONS	Direct contact with companies across industries and countries, with potential for future commercial discussions.
BRAND & OFFERING SHOWCASE	The possibility of discussing exhibition space, product showcases and related activities through separate arrangements.

VALUE	WHAT IT MEANS FOR PARTNERS
EXPERIENCES FOR TEAMS	Potential participation by company representatives and their families in selected educational and community activities.
A LASTING COMMUNITY	The prospect of ongoing relationships with like-minded partners beyond the event itself.

The scope of individual benefits, including exhibition and promotional activities, will be agreed separately. **A donation is not a payment for advertising, exhibition space or services provided by the organiser.**

06 A CLEAR INVITATION POLICY – EUR 5,000 THRESHOLD

A company whose confirmed financial or in-kind contribution to the Foundation exceeds the equivalent of EUR 5,000 is guaranteed an invitation to the Centaurus Foundation's first International Premium Partners' Gala in 2027.

FORM OF SUPPORT	A financial donation or an in-kind donation accepted by the Foundation that meets its actual needs.
ELIGIBILITY THRESHOLD	A documented and accepted contribution worth more than the equivalent of EUR 5,000.
WHAT IS GUARANTEED	The company will receive an invitation to the formal Partners' Gala 2027.
NOT AUTOMATICALLY INCLUDED	Exhibition space, advertising packages, accommodation, transport, an unlimited number of guests or VIP benefits.
EVENT ARRANGEMENTS	The event rules will specify the valuation of in-kind support, currency conversion and the number of guests covered by an invitation.

What matters is genuine support for animals. An invitation is a gesture of gratitude and recognition – not a product being sold to donors.

07 RESPONSIBLE ORGANISATION AND TRANSPARENCY

We will organise the event with due regard for **animal welfare and the responsible use of funds entrusted to the Foundation.** The Gala budget will be planned separately from funding for day-to-day care, investments and agreed charitable objectives.

We aim to keep event costs down through **in-kind contributions and technical and logistical partnerships.** Any paid promotional or exhibition services will be subject to separate agreements and appropriate legal and tax treatment.

The final programme will take account of the venue's capacity, the safety of animals and people, and all necessary permits and approvals.

08 TIMING, SCALE AND NEXT STEPS

VENUE	The Centaurus Foundation's centre in Modlimowo, Poland.
DATE	Second half of 2027 ; exact dates will be announced in the official programme.
FORMAT	Several days of public activities, family learning experiences, exhibition areas, business meetings and a gala evening.
SCALE	The organiser aims to attract around 15,000 visitors over the course of the event, including representatives of companies from multiple countries.
DETAILED PROGRAMME	To be published by 31 May 2027 , together with the event and participation rules.

We already encourage companies to indicate **how they would prefer to support CENTAURUS 360** and whether they are interested in participating in the business programme. Early expressions of interest will help us plan the industry mix, meeting programme and exhibition requirements.

09 AN INVITATION TO BUILD THE FUTURE TOGETHER

We want the inaugural Partners' Gala to become an annual tradition. Our ambition is to build an international business community in which **a shared commitment to animal welfare lays the foundation for lasting relationships** – commercial, social and personal.

A partnership can begin with support for a particular project, an in-kind donation or a conversation about the Foundation's specific needs. **You do not need to wait until 2027 to make a meaningful difference!**

CENTAURUS 360 – INTERNATIONAL PREMIUM PARTNERS GALA 2027
Together for animals. Together for responsible business. Together for the future.

"I invite you to help create an event where compassion for animals becomes the starting point for new connections, enduring partnerships and positive change extending far beyond a single evening."
